

Manifesto

A centre of Attention will

Support Risk,
Allow Interaction,
Enable participation,
Offer change,
Demonstrate alternate practices beyond the visual arts,
Model flexibility,
Be a space to share ideas,
Support people to fight against a label,
Be you're my people,
Represent you,
Welcome in neighbours,
Ask why 'I don't fit in?',
Be dynamic,
Matter,
Show a community within,
Help everyone get involved,
Be small but powerful,
Offer a space to truly belong,
Provide a sanctuary,
Seek an Audience or not,
Be co-produced,
Not be us versus them,
Be centred and also not,
Ask Who cares?,
Offer opportunities for learning,
Put creativity first,
Take place in many places
Be mobile
